We are just about to launch our new mentoring program in St James and Ebrington School in the next few weeks and we are looking to build a team to launch in other local schools in the area. To facilitate training we are needing those that have shown an interest to now fill in TLG application forms – please see Kate Irvine or Joan Silk to receive an application form or more information about TLG. Please continue to pray for our new mentors and our local schools that we would see many lives transformed. Is God calling you to this ministry in 2018?
